Over 30 people attended the We Love Our Volunteers Party on February 11. The Party was Valentine's Day themed and included tables on invasive and native plants as well as the Adopt-a-Tree program. Several trees were adopted during the event. Thank you to Susan Cox, Kathy Schramek as well as members of the Activities Committee for stopping by the event. Also, thanks to Martha Crawley, Susan Bruns and Sally Burmeister for organizing the event.

Reminder Memo to Landscape Contractors

Attached is a memo from the Landscape Committee to Management detailing reminders to our landscape contractors as spring clean-up and mulching is upon us. These reminders hopefully will help CLS identify some of the common issues that our residents are contacting the Committee, Board and Management about.
