**PARKFAIRFAX CONDOMINIUM ASSOCIATION  
ADDITIONAL PET APPLICATION**

Name: Shannon Moore Phone# : (731) \_\_\_\_\_

Work# : ( ) \_\_\_\_\_

Address: 1723 Preston Rd.

Unit Owner Name and Address: Michael Cornacchione  
(if different than above)  
1923 Richmond Hwy, Alexandria, VA 22301

I seek approval for an additional pet in my home.

I presently have: 1 cat  
(Number and type of pets)

I wish to add: 1 cat  
(Name and type of pet)

Current City of Alexandria Registration # : (Cats/Dogs) \_\_\_\_\_  
(copy of the city of Alexandria registration form must be attached)

Date and registration of rabies inoculation: (Cats/Dogs) 11/15/19

**No pet (cat or dog) will be permitted on the Common or Limited Elements unless carried or restrained on a leash and under the direct control of a responsible person.**

By my signature below, I affirm that I will abide by the decision of the Board of Directors. I further confirm that such additional pets will not be used for commercial breeding purposes and that they are properly registered at the Unit Owners Association. I acknowledge and will abide by the pet policies set forth in Parkfairfax Condominium Unit Owner's Association Policy Resolution Number Seven, related to the keeping of pets.

I also confirm that as of this date, my pet is current on all inoculations.

			p: centragard update vax neuter today		
			Client Instructions - Today, your cats were neutered. They recovered well from surgery and are ready to go home. They may be a bit sedate for the next 12-24 hours. There are no skin sutures in place at the surgery site.		
			If you notice excessive redness, pain, swelling, or pus discharge from the incision, it may be infected. If signs of infection are seen, your cats should be seen.		
			Activity Please restrict your cat's exercise for the next 48 hours. No running, jumping, or playing		
			Diet You may offer a small meal tonight when you are home. He may eat normally tomorrow morning.		
			Recheck Appointment No recheck appointment is necessary.		
			Please call 746-8758 if you have any questions or concerns.		

Age: 5m Weight: 9.00
