## Island Naming Contest

---

Over 100 names were submitted for the contest, some were duplicative, and some did not follow the rules of the contest. Of the names, five are in the running for the naming of the traffic inland at the intersection of Martha Custis and Valley:

- The Greens at Parkfairfax
- Triangle Green
- Tricorner Green
- Washington Island
- Dolley Madison Island
- Founders' Common
- Founders' Triangle

Of note were the names that were not necessarily in the running but did make an impact:

- Conviviality Island
- Grass Land
- Home Base Isle
- Man's Best Friend Island
- parky mcparkface
- The Bermuda Triangle
- The Best Island Ever
- This Land
- Treasure Island
- Ye Old Island
- Yonder

A note of thanks to all the residents that submitted a name to the contest.
