RECOMMENDATION

Solution for Big 5

- Purchase Bike Rack for Bldgs 107, 208, 511, 535, and 707 (5 Racks Total).
- Purchase one large and one small locker for each room.
- Cost
 - Racks: 5 x \$249
 - Large Lockers: 5 x \$133
 - Small Lockers 5 x \$123
 - Total ~ \$2700 after shipping and sales Tax

Solutions for Next 6 rooms

- Pull Racks away from Wall to allow parking on both sides of Rack.
- Second Rack probably not needed, but could be added pending resident interest.
- Add Locker to each to room (optional), or wait and see if lockers prove popular in Big 5 rooms, then purchase lockers for Next 6 rooms at that time.
